

XS-Combi

COMBINED SEWER JETTING & CLEANING VEHICLE

1.200 liter total water tank capacity by 800 liter waste and 400 liter clean

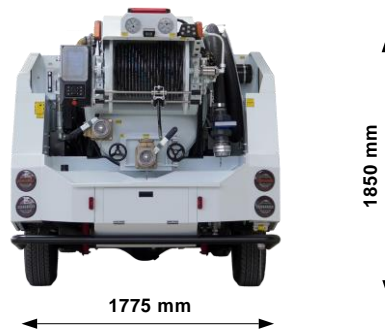

Compact. Stylish. Built to Fit Anywhere.

The Xs-Combi, mounted on the robust Isuzu D-Max 4x4 chassis, is a smart and space-efficient sewer cleaning solution — all packed into a 3.5-ton vehicle.

Designed for fast intervention in narrow streets, it eliminates the need for large trucks while delivering maximum cleaning performance in minimal space.

TECHNICAL SPECIFICATIONS

CHASSIS VEHICLE

Isuzu Single Cab D-max (or similar)

1.9 liter engine

4x4 All Wheel Drive

3.125 mm wheelbase

SUPERSTRUCTURE DESIGN

1.200 liter total water tank capacity by 800 liter waste and 400 liter clean

Aluminum made

Rear hatch for easy discharge

Level indicators on tubes and E-Box display

Suction: 3" manual operated bronze gate-valve

Discharge: 3" manual operated bronze gate-valve

Filling: 2" hydrant connection

VACUUM SYSTEM

Jurop RVC 210 series hydraulic driven vacuum pump

360 m³/h airflow capacity

Protection with 3 stage filter

Manual four way valve

SUCTION HOSE REEL SYSTEM

Aluminum made suction hose reel

2 1/2" 10 meters rubber type suction hose

Hydraulic winding and unwinding

Manual gate valve

OPTIONS

Wireless control

Pneumatic four way valve

Pneumatic pressure regulator valve

Anti-freeze winter protection

Off-road aluminum rim & tire set

Rear view camera

Warranty extension

HIGH PRESSURE SYSTEM

Prattisoli hydraulic driven pump

KT20 43 liter / min @320 bar or

KT26 60 liter / min @250 bar or

KT28 70 liter / min @200 bar or

KT30 80 liter / min @175 bar

Manual pressure regulator valve

Low water warning

JETTING HOSE REEL SYSTEM

Aluminum made fixed jetting hose reel

5/8" 80 m / 1/2" 100 m pressure hose

Hydraulic winding & unwinding

Manual controlled hydraulic speed regulation

ELECTRICAL SYSTEM

E-box controls – 7"

SAFETY

LED warning lights, reflectors, side protection

ACCESSORIES

Intersewer Arrow, Standard and

Power Pull 1/2" Nozzles

Multifunction function spaces

Washing gun

3/4" 25 meter filling hose reel system

PAINT

External painted superstructure on requested RAL code

Sticker applications

WARRANTY

1-one year warranty
